

Horses4Heroes Camps 2021

Horses4Heroes is looking for fun-loving, responsible teens and young adults to volunteer for camp counselor positions throughout the year. We look for counselors that are good with kids and have skills in a variety of sports, horses, arts & crafts, theater arts, CPR, Life Guard, and other camp games and activities. This is a great way to get a jump start on community service hours for school, church or clubs and the experience looks GREAT on your resume for college or work. The role of a counselor is to facilitate the camp experience for our campers, ages 5 to 13.

Counselors: 16 and older

Counselors in Training: 14 to 15

Junior Counselors in Training: 13*

* Limited number of openings, must have attended camp before.
