Las Vegas-based national non-profit Horses4Heroes is seeking volunteers (adults, college and high school students) to help at our flagship facility, the Horses4Heroes Family Equestrian Center, now open at 4975 North Miller Lane. We also are looking for youth groups, clubs, sports teams, Girl Scouts/Boy Scouts and businesses to schedule a day of community service (Weekends in the Barnyard). Great opportunity to promote your organization while helping ours! **Activities include leading horses, supervising the barnyard, assisting with the check-in, and helping with ranch chores. Contact us at events@horses4heroes.org or call 702.645.8446.**
