

# Horses4Heroes Family Equestrian Center

## Our Wish List

Your donation of feed, grain, supplies and cash supports the horses and farm animals that support local heroes, veterans, victims of domestic abuse and violence, recovering addicts and at-risk youth with *FREE* life skills workshops designed to build self-confidence and self-esteem. Horses4Heroes is the *ONLY* Las Vegas-based national non-profit that owns its own horses. We have 20 horses, four minis, and a barnyard filled with farm animals: a Llama, Alpaca, mini-Steer, four mini-pigs (not so “mini” anymore!), mini-donkey, goats, and roosters. Our weekly grain bill runs about \$100 per week; our hay bill is \$3000 per month.

You can purchase these items at Jones Feed & Tack on Rancho,  
Tractor Supply or CAL Ranch  
(drop off or we'll pick up!)

**Senior Feed (Equine Senior or something similar)**  
**Alfalfa Mini Pellets or 80/20 (for the mini horses)**

**Rabbit Food**

**All Flock/Flock Raiser (crumbles)**

**Adult Mini Pig**

**Scratch**

**Fly Spray \* Muck Rakes**

**Cases of Water (for the humans)**

**Toilet Tissue (septic safe), Paper Towels**

For cash donations, visit [www.horses4heroes.org](http://www.horses4heroes.org), click donate. We are grateful for any amount! It costs our non-profit \$5000 per month to feed and care for the horses (feed, farrier, supplies). You also can support Horses4Heroes by posting on FB, organize a Spare Change Round Up at your work or school (spare change really adds up), book a birthday party or schedule company event! For more information on how you can help, email [events@horses4heroes.org](mailto:events@horses4heroes.org) or call 702.645.8446.

*Thank you!*
