All programs/sessions/activities take place at the **Horses4Heroes Family Equestrian Center**, owned and operated by Las Vegas-non-profit Horses4Heroes. Proceeds from "Pay2Play" activities support the care and feeding of donated, semi-retired, and retired horses (\$1,000/week), center operations (rent, insurance, salaries, power, security, and maintenance (\$20,000/month). Donations and sponsorships account for about 30% of our monthly budget, leaving us with the need to generate \$17,000+ per month to cover expenses. This does not include vet bills and repairs. Thus, we rely heavily on income from lessons, camps, birthday parties, and weekly open houses.

Volunteers, 16 and over, are welcome to assist with daily chores and events. Discounts to volunteers are applied on a case-by-case basis. For example, a CAMP MOM can earn free tuition for kids to attend camp. Refer a Friend and/or work four shifts (8 hours) and we can provide Ride Bucks, which can be redeemed for Pay2Play programs. One Ride Buck is worth \$75. Volunteers can earn Ride Bucks by working at the center, promote programs via Social Media, or help with office work, bookkeeping, and administrative duties at our place or yours. Volunteers 14 and 15 can help with camps and special events, parties, and weekly open houses.
